NARRATIVE

On 9/12/14 I was requested to respond to Lackland to assist in the investigation of a homicide. This request was made by Det.

During this investigation I captured 6 digital images showing the following:

1 and 6 show the case information.

2-3 show overall views of the exterior of Lackland.

4-5 show views of the white box and its content; a police style duty belt.

The media card was forwarded to the St. Louis County Photo Lab.

During this investigation I collected the following items of evidence:

1. Gun belt, web-gear style, with two handcuff holders, with handcuffs. Baton holder with expandable baton. Empty walkie-talkie holder, empty gun holster, five keys, two handcuff keys, one double magazine pouch, with two full firearm magazines.

The above listed items of evidence were conveyed to the St. Louis County Fingerprint Unit where they were properly packaged and retained as evidence.

No Further.

NARRATIVE

On 9-9-2014 I responded to the Ferguson Highway Department, located at 901 Ferguson Road, for an investigation. I was requested by Detective _____, to take five measurements of Officer D. Wilson's vehicle. I was requested to take measurements from the ground to the top of the vehicle, from the ground to the top of the driver's window, from the ground to the bottom of the driver's window and from the ground to the seat in its lowest and highest setting.

Upon arrival I discovered that the driver's door had been seized by the FBI. I was advised that for two measurements to use the passenger door.

The following pictures are on file at the St. Louis County Photo Lab:

Overall of the PO D. Wilson's vehicle driver's side (1 and 2)

Overall of the measurement from ground to the top of the vehicle (3)

Overall and close up of the measurement of the seat in its lowest position from the ground (4 and 5)

Overall and close up of the measurement of the seat in its highest position from the ground (6 and 7)

Midrange and close up of the measurement from the ground to the top of the vehicle (8 -10)

Overall of the measurement from the ground to the bottom and top of the window (11 and 15)

Close up of the measurement of the bottom and top of the window (12-14)

Overall of the scene board (16)

I have nothing further for this supplement.
