Ferguson Collaborative  
Ferguson, Missouri

Dear Collaborative Members:

The Ferguson City Council has received notice of the statements and requests you made yesterday. Although we may not agree with all of your points, we as a Council wholeheartedly agree that the citizens of Ferguson will be the ones most affected by any agreement with the DOJ and, further, that the citizens deserve to not only know the content of the agreement before it is finalized but also that they *must* have a fair opportunity to share their thoughts with us prior to any agreement being signed.

We have voiced that same concern to the DOJ on numerous occasions. We want meaningful community engagement between City leaders and the citizens about the proposed agreement and the opportunity for real community input. Therefore, we have provided the enclosed letter to DOJ representatives to ensure that sufficient engagement and input is realized.

Sincerely,

The City Council of the City of Ferguson
